

Community Supporter Program

Mondays and Tuesday's are
Moose Winooski's Community Supporter nights.
If you have a minor sports team, dance class, or any
amateur group that is looking to raise funds,
speak to a Manager about hosting a
night at the Moose.

We provide your group with posters
and coupons to hand out to your supporters
and when they dine with us on your night, we give
back 15% of those sales to your group.

Members of your group will be on hand to
greet your supporters and will take an active role
in the evening allowing you to thank all of your
Supporters that come out for the night.

See a Manager for complete details and
an application for your evening.
